

The Bookkeeper's Corner

OCTOBER EDITION

Happy Fall!

Can you believe it's already October?! This is your **friendly reminder** that if you extended your individual tax return (or corporate!), it's time to get all of your tax documents to your accountant.

Did this tax season sneak up on you? Let's stop that from happening **again** next year!

Pumpkin Spice + Advice

I'm currently booking virtual (or in-person!) coffee chats for those of you on the fence about working together! Let's grab your favorite warm drink and chat about how I can help you achieve your business goals. Hit REPLY and send "☕☕" to let me know you'd like to get something on the calendar!

Need a Payroll Processor?

Missing a payroll deposit can come with hefty fines (and angry employees!). Make processing your payroll a little bit easier by investing in a payroll processor.

A great payroll processing service can send you payday reminder emails, collect and remit the appropriate payroll taxes, and help you stay in compliance with various state laws.

My favorite processor is *insert your favorite processor*. You can use my code *** for ** off.

Important Dates:

OCTOBER 17

Extended Form 1040 Due: Individual Income Tax Return
Extended Form 1120 Due: Corporation Income Tax Return

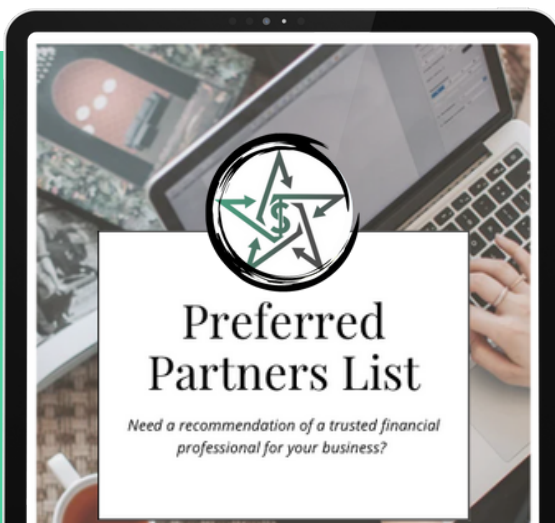

I'm incredibly fortunate to work with amazing business owners everyday and I want to share them with you!

I've put together a list of my preferred partners who you may find helpful as a business owner yourself!

Am I missing a business you love? Hit REPLY and let me know who should be added to my preferred partners list!
