

The Bookkeeper's Corner

FEBRUARY 2025

Roses are Red, Violets are Blue...

There are only 57 more days until your individual taxes are due! It's time to ask yourself these questions:

FOR BUSINESS OWNERS

- Are all my income and expenses entered and categorized for 2024?
- Have I reconciled my accounts (including any payroll and loan balances)?
- Have I sent all required 1099s and W-2s?
- Have I organized additional tax info like my mileage log, home office deductions, retirement contributions, and estimated taxes paid?

FOR INDIVIDUALS:

- Which tax documents am I still waiting to receive?
PRO TIP: Use your accountant's tax organizer to help you figure this out!
- Have I sent my tax accountant everything they need to file my return?
- Do I need to make any additional retirement contributions for 2024?
