JANUARY 2025

Cheers to a *stress-free* tax season!

Happy 2025! To celebrate the new year, I'm gifting you a personalized New Year's resolution: Never miss a tax deadline in 2025!

Let's start with what's due this month:

January 15th

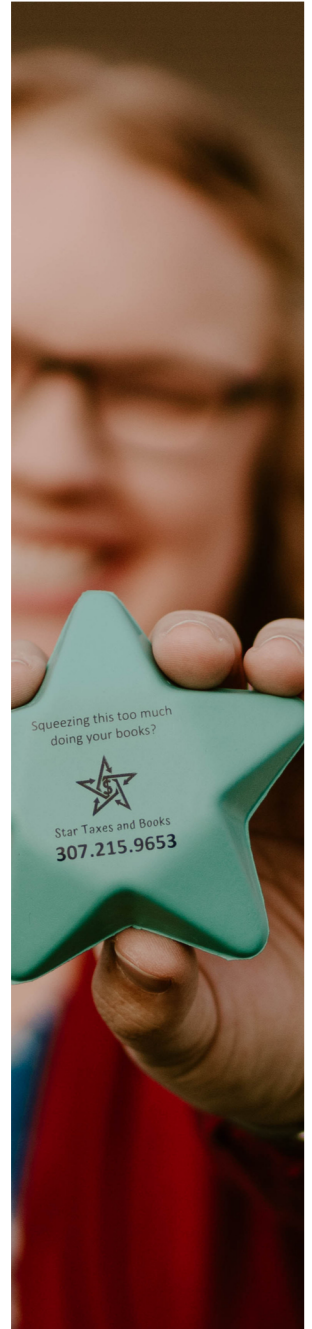

- The final installment of your 2024 estimated tax (Form 1040-ES) is due.

January 31st:

- Employers must file W-2s and send a copy to each employee.
- Form(s) 1099-NEC must be filed and a copy sent to recipients.
- Form 940 is due.

This one isn't an official tax deadline, but it's still something you need to do in January: Close out your books for 2024!

We sent a 2024 tax organizer to all of our current clients, to help them get prepared for this year. Let us know if you'd like to get one as well!
